

WE LOVED SEEING YOUR SUPER POWERS AND YOUR AMAZING BADGES LAST FRIDAY. WOW-WHAT A SPECIAL RED NOSE DAY IT WAS. HERE ARE A SELECTION AND I'M SURE YOU AGREE THEY ARE MIGHTY FINE.  
 Did you hear of anybody finding the GOLD EDITION nose?

Kestrels have been discovering their own fossils, being paleontologists + Eagles have been making fantastic book houses in Design and Technology.

We are currently in the middle of our Academy conversion to join the Waveney Academies Trust. Our intention is to be able to join by November 2021. This is because we will need to go through several consultation processes including with staff. The summer holidays are not included in that process so September would be too early to be able to do this. We have a project co-ordinator from the DFE and she has received everything she needs so far. We will be working with her, and WVAT this term to ensure the continuation of what seems, so far, to be a smooth process. The LA have met with WVAT as well-so all parties are aware of this change. Next step, this term, will be to talk to our families. Thank you to the Parish Council for supporting us in this and enabling us to ensure a sustainable future for Snape Primary.

**Covid:** We are continuing to follow our Risk assessment limiting visitors to schools and keeping our 3 bubbles with staggered entrances and exits/ Handwashing. We intend to continue to do so to help keep each other safe.

We are hoping to offer Pre and after school hours for families if they need-from 8 until 6 potentially. However, working patterns have changed since Covid and we're finding that some of our families are now able to work from home so there hasn't been take up for this as yet. All our information is still on our website:
