

**We are looking for VOLUNTEER STEWARDS to help us host a small community event (350-400 SEAS supporters) on the afternoon of the 1st of SEPTEMBER on Aldeburgh beach.**

**The event is a crucial element in our campaign to highlight the IMPORTANCE of PRESERVING our COAST and COUNTRYSIDE from the renewed and ever-increasing THREATS of the National Grid projects, and will help us reach out to the new government – we have to RAISE AWARENESS, accelerate and deepen public exposure - and get media attention.**

**You DON'T need any special skills or experience to volunteer and be a part of the event! We'll offer online briefing sessions during August for our team of 25-30 volunteers and we'll be happy to let you have more details at any time.**

**SO! To find out more and book a place on one of these sessions, please email Megan for further details.**

** PLEASE SIGN UP as soon as you can so that we can arrange convenient times for the training and induction sessions – we'll be as flexible as possible!**

**Without stewards the event cannot happen. We would love to have your help and support in this REALLY CRITICAL period. It's going to be a great event!**
