

**G.A.S. members and all those interested in joining GAS**

**An evening with Lena & John**

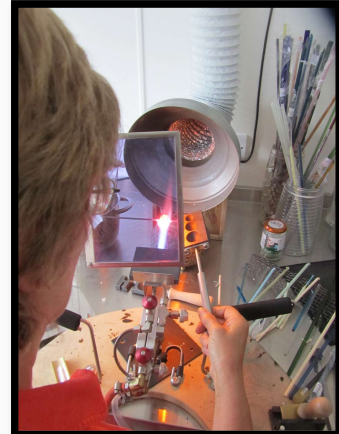

**Glass work inspired by the Suffolk Coastline**

**Lena & John will be talking about and showing their glasswork. There will be an opportunity to handle the objects, ask questions and purchase items**

**Thursday 11 November 2021**

**7.30pm Snape Village Hall**

**Refreshments & Raffle**

From their garden studio in Snape, Lena and John love working with glass. John's focus is on fused glass and he enjoys experimenting with recycled glass to make plates and other functional and decorative pieces. Lena's passion is to work directly in the flame with molten glass to create flowers and beads which she then uses to create highly original miniature vases and unique necklaces.

**An evening organised by Girls About Snape G.A.S.  
Supporting the East Anglian Air Ambulance**
