

SNAPE ART TRAIL

OPEN CALLS

There is a new event to add your calendar this year, the launch of the very first Snape Art Trail.

Whether a budding or experienced art creator, the Snape Art Trail invites artists to submit works for an exhibition at St John The Baptist church, Snape, on the 24th of June from 10:30 am – 16:00 pm, where artists can exhibit for the cost of a small donation from their respective sales.

The aim is to create an environment for local artists to present and show their work. The popular Aldeburgh Art Trail encourages visitors to the area proving the high levels of interest for creative artists in Suffolk. Art Trail enquiries should be made to: johnkearns@excelprtv.com or m: 07881587380

The exhibition is running concurrently with the Snape Open Gardens day, where visitors can enjoy refreshments at the village community hall and collect a copy of the Open Garden Plan.
