

1925

For 100 years **Snape Village Hall** has been serving the community. If walls could talk they would speak of World War 2, the founding of the NHS, three Coronations, 1966 World Cup, the development of the Maltings, joining and then leaving the EU, the Falklands and of course Covid. It has stood as a Bastion and a friend. It is only right that we should all come together to celebrate its **100 birthday on Saturday July 26th 2pm to 6pm**

No matter how old you are, whether 9 or 99, no matter how long you have lived in Snape, or even if you are a visitor to our beautiful village and county, you are ALL welcome to join us to celebrate this special day.

Tell your friends and family, let's make July 26th a day for us all to remember for the next 100 years, see you all again in 2125!

On the day the events will include...

- Facepainting for children
- BBQ and bar available
(with thanks to the Plough & Sail/Golden Key)
- Music from Strumming Birds
- Display of history to the village hall
- Bric a brac table
- Bottle tombola
- Tea, coffee and cakes to celebrate

2025
